Quartz is the most popular surfacing material used in kitchens today due to its beauty, performance and ease of care. As such, we are pleased to feature the EatGatherLove quartz line in this Portfolio. We also offer stone solutions such as Granite or Marble and more cost-effective surfaces in high pressure laminates. Your EatGatherLove Designer will work with you to find a perfect solution for your home.

Organization

A beautiful new Kitchen should also work with how you live. Our standard self-closing hardware will change the way you interact with your new doors and drawers. Roll-out bins and shelves will add ease of access and create new organization and storage opportunities. These components are built to maximize storage and accessibility regardless of the layout of your cabinets. Drawer organizers will complete the task by providing a place for everything and will help keep everything in its place. The following page will provide some ideas to begin exploring options with your EatGatherLove Designer.
