EatGatherLove Kitchens Reimagined

Choosing your styles, finishes, and colors is one of the most exciting aspects of reimagining your kitchen. Here we present the EatGatherLove portfolio of products, sourced from quality manufacturers in the U.S. and Europe. We invite you to review these options, ask us any questions, and enjoy this stage in creating your new EatGatherLove kitchen.

**We believe a beautiful
kitchen creates a place
for family and friends
to gather with love.**

Countertops

EatGatherLove is excited to offer the latest quartz, natural stone, and other countertop materials to enhance your new kitchen. We will work with you to find the perfect solution to compliment your style and needs.

Quartz is the most popular countertop material used in kitchens today due to its beauty, performance, and ease of care. We are pleased to feature in this portfolio the quartz line we offer. We also offer stone solutions such as granite or marble, as well as porcelain and ultra-compact materials.

Your EatGatherLove Designer will work with you to find a perfect solution for your home.

* N-Boost modifies the surface of the material at a molecular level, further enhancing its technical performance and aesthetic properties. This state-of-the-art technology ensures a greater intensity of color and lustre while also providing a surface that is easier to clean and maintain than ever before. Note: Silestone is for interior use only, and all Silestone colors are available, not all shown.

Organization

A beautiful new kitchen should also work with how you live. Our standard self-closing hardware will change the way you interact with your new doors and drawers. Roll-out trays and adjustable shelves will add ease of access and create new organization and storage opportunities. These components are built to maximize storage and accessibility regardless of the layout of your cabinets. Drawer inserts will complete the task by providing a place for everything and will help keep everything in its place. The following page will provide some ideas to begin exploring options with your EatGatherLove Designer.
